Greetings to all of our colleagues involved in early childhood education!!!

I would like to extend an invitation to partner with NAAEYC as an involved supporter for our annual Early Childhood Education (ECE) Conference on April 25, 2020. Our Saturday educator conference location is Calvary United Methodist Church in the heart of Green Hills on Hillsboro Road. This location is an excellent choice because of its large attendance capacity, ample free parking, transit lines and favorable proximity of sponsor tables. The Directors Day (administrators) event is on Friday, April 24 at a separate location (First Presbyterian Church of Nashville/Franklin Rd.).

Last year's conference had hundreds of participants and we look forward to another successful event! As the only affiliate of the National Association for Education of Young Children in the state of Tennessee, we have early educators, administrators and presenters come from all areas of the state to participate. Sharing these event experiences is an important piece of our relationship with our sponsors, advertisers, and vendors.

- **Conference Site:** Calvary UMC has a spacious gym for eating, sponsor tables, silent auction and best of all is located between the two classroom wings. There will be a constant flow through this space during the entire day!
- **Director's Day Site:** First Presbyterian Nashville is a beautiful location and hosted the event last year. There is limited space here for sponsor tables, but we are open to making space if you indicate your desire to attend as soon as possible.

This year, we are seeking sponsorship to underwrite our event costs by providing our partners a variety of different and excellent exposures to our attendees and directors. These sponsorships will help us carry out our mission to, *"...promote a diverse, dynamic early childhood profession by empowering all who care for, educate, and work on behalf of young children, through advocacy, leadership, and professional development."* And we cannot do it without you.

Sponsorship details are outlined on the [NAAEYC SPONSOR PAGE](#). New this year is the Online Sponsor Information Form and Online Payment Options!

Once again, the FOUNDATIONAL SPONSORSHIP FOR OUR NON-PROFIT PARTNERS IS AVAILABLE AT NO CHARGE (you must still fill out the Information form). There are also opportunities to increase exposure by purchasing ads, donating items for distribution to our attendees, or donating door prizes.

We look forward to your continued support and partnership! Questions may be directed to [development@naaeyc.org](mailto:development@naaeyc.org).
