

In support of the Affiliate network and other state partners, NAEYC has gathered links to state-specific fact sheets created by national organizations in one, easy-to-find and easy-to-access location. When you are looking for state-specific information, please start here to see if your need has already been addressed!

We will update this information periodically, but if you would like to add a resource to the list; or if you need additional information, unbranded documents, or other resources, please email advocacy@naeyc.org with your request, or reach out directly to the organization whose state fact sheet you would like to use or adapt.

****Fact Sheet will be updated periodically.****
